To  
All the Faculty Members and Principals/TiCs of the Affiliated Colleges running P.G. Courses  
Bankura University

Sir /Madam,

In view of the crisis arising out of the worldwide outbreak of Corona virus, there will be a definitive loss of teaching days. As verbally advised by the HMIC, HED in his meeting with the VCs on 17.03.2020 on how to make amends for the loss of teaching days, the university has already launched a digital learning portal named [bkudigiresources.org](http://bkudigiresources.org) for the benefit of students who can access it from home by login through their User Id and Password.

Faculty members are therefore requested to contribute to this initiative of creating the "learning from home" resources. There are several options: (1) Teachers may digitise their lectures at home through their own mobile camera or they may come to a sanitised room of the university (single individual entry with mask etc) and their lectures will be captured on video cam to upload the same on the said portal. (2) Teachers may upload their lectures in written format in terms of module and can upload the same on their own. (3) Teachers may upload non-copyrighted study materials in the portal.

Very soon the User Id and Password will be sent to faculty members and students for its enrichment and accession. Meanwhile the teachers may send the materials to [registrarbku@gmail.com](mailto:registrarbku@gmail.com) which we can upload in the above portal.

This is the time for us to help our students as much as we can; and as directed by the Hon'ble Vice Chancellor, the undersigned requests you to prepare the lecture, module etc. on urgent basis from their home to overcome this crisis period. The Principals of the affiliated P.G. colleges of Bankura University are also requested to issue the necessary instruction to get the contributions from the faculty members of their respective colleges for enriching the portal. The faculty members of such colleges will have to send the digital resources to the email address provided in the above portal.

Earnestly anticipating your cooperation for enrichment and development of the above digital learning portal,

Thanking you,

Sd/-

Registrar (Addl. Charge)
